

Support someone you love ...

Ohio residents now can show their support for breast cancer patients and survivors with the Ohio Breast Cancer Awareness License Plate.

To date, over 200 survivors received \$85,000 in financial help from Breast Cancer Fund of Ohio grants!

Reasons To Buy The Breast Cancer License Plate

- 1 out of every 8 women will be diagnosed with breast cancer in her lifetime
- \$25 from every license plate purchased goes to help patients get quality treatment, provide emergency
- financial assistance & support, and advance research by improving access to clinical trials
- Remind others the importance of regular breast cancer screening
- Over 130,000 Ohioans are living with breast cancer - if every one purchased a license plate over \$2 million could be raised every year!
- **100% of funds raised stay here in Ohio to benefit organizations and patients in your community**

How much does it cost? The Breast Cancer Awareness License Plate cost \$35 above the cost of a regular plate. \$25 goes to help Ohio breast cancer patients. Its tax deductible, too!

Do you have to wait for your license renewal date? No, you can order the Breast Cancer License Plate at any time by visiting the Ohio Bureau of Motor Vehicles web site or local License Registrar office and ask to exchange your old plate for a new one.

Order Online - Visit the Ohio Bureau of Motor Vehicle web site - www.oplates.com

Breast Cancer Fund of Ohio Mission Statement - Formed by survivors, the purpose of the Breast Cancer Fund of Ohio is to distribute funds from the sale of Ohio's Breast Cancer Awareness License Plate to organizations around Ohio for emergency financial assistance to breast cancer patients and to improve access to quality health care and clinical trials. Please feel free to visit our About Us page to learn more about what we do and how the license plate is helping fight breast cancer in Ohio.
